Subject Re: Pars meeting by phone.

Hi Michael,

Either day works for me. I will be here working on revisions to the BBA. I typically take my lunch break at about 2:30 by going for a walk. So please let me know which day you would like, then I can take my walk earlier.

As a primer to the work I have been doing:

The great majority of my time is spent on the BBA. I am co-lead (with Barb) for revising the old Chapter 4 and writing the new Chapter 6. I am also responsible for keeping the mine scenario team on task and for managing responses the the 400+ public comments that relate to the mine scenario. I will be a final editor once the whole thing is put together, though Glenn and Kate are the principle editors.

I have also been working [REDACTED]

[REDACTED] I have been listening in on the calls to keep up and to make sure lessons learned in Bristol Bay are applied there.

What I have not been doing is participate in all the teams we have created.

I look forward to talking soon.
